

Dear customers,

We are very aware that the COVID-19 virus is a serious matter that is continuously evolving and requires careful consideration on everyone's part. In the interest of our customers' and staff members' health and safety we have decided it would be advisable to postpone our forthcoming auction of 20 and 21 March.

Our decision also concerns the viewing days preceding the auction. Our offices are open for business but we would strongly advise visitors to take appropriate precautions and follow the Government's health recommendations with regard to prevention and self-isolation. It of course goes without saying that our staff are following all health regulations very strictly.

We will communicate new auction dates as soon as we receive updated information from the Federal Government on further developments. Please accept our apologies for the inconvenience that this decision may cause; we kindly ask for your understanding in this extreme situation.

Stay safe and healthy!

The Arenberg Auctions team
